## SPELLING LIST

FOR INTERSCHOLASTIC LEAGUE  
SPELLING CONTEST : 1966-1967 SCHOOL YEAR

BUREAU OF PUBLIC SCHOOL SERVICE

DIVISION OF EXTENSION : THE UNIVERSITY OF TEXAS

PUBLISHED BY THE UNIVERSITY TWICE A MONTH. SECOND-CLASS

POSTAGE PAID AT AUSTIN, TEXAS

## Foreword

THIS BULLETIN contains three lists, each of which is designated as a source of words for the League spelling and plain writing contests in the respective divisions. The words are carefully selected and are supplementary to the State Adopted Texts, Grades Five to Eight, inclusive. Few of the words appearing in the lists will be found in any one of the adopted spelling texts, or in the League Lists of 1965-66.

Pupils are required to spell only the words in Roman type; words and phrases in Italics are explanatory and chiefly for the purpose of helping the pronouncer distinguish between words having the same or similar sound.

Corrections of misprints or other errors in the word lists appear in the Official Notices Column of the *Leaguer*. Teachers who report errors to the State Office do the League a real service.

The present adopted spelling texts contain excellent suggestions for teaching spelling, and these plans and devices may well be used in teaching pupils to spell the words in these lists.

This is not only a spelling, but a "plain writing" contest. More papers are rejected by the State Grading Committee because of illegible writing than because of incorrect spelling. Many grading committees do not seem to realize the importance which is attached by the State Committee to "plain writing." A special circular entitled "Writing Errors," which contains many illustrations of malformed or illegible letters, is sent for 5 cents (postage) on request of any teacher using this list.

The latest edition of Webster's Unabridged Dictionary is the authority for all spellings.

The League is grateful for the help of Miss Nell R. Tucker, a teacher at Hartman Junior High in the Houston Public School System for aid in preparing the current spelling list. Miss Tucker has been outstanding in teaching both spelling and reading. She has conducted reading and spelling clinics not only in Houston but in other Texas cities. Her contestants have been very successful in competing in the National Spelling Bee Contest.

Guide lines have been inserted after each group of words for student's convenience. An asterisk (\*) suggests the dictionary be consulted for pronunciation and/or definitions. Words in standard type in parentheses indicate multiple spelling accepted by Webster's Third Edition. Words in Italic type are explanatory notes and essential definitions. Words in Italics preceded by "can be" indicate related but different words.

  
Director
